## — WELCOME — BACK TO SCHOOL

Welcome Back!!! This year is full of great potential and opportunity! I am excited that we are anticipating a traditional school year. While we do not know the future, we can rest knowing who holds the future. He has a perfect plan for all of us in 2021-22.

I am looking forward to getting back on track with career experiences, the Futures Expo, guest speakers, and college tours in. I hope each of you have had a rejuvenating summer, and I pray this will be a year of growth and prosperity for you and your students.

## New Faces in CTE...

Welcome Mr. Jonathan Williams!!!! Mr. Williams will be teaching the new Work Based Learning class, Smart Start CTE, and coaching men's basketball. We look forward to the knowledge and passion he is bringing to our students!!!

Help us also welcome Mr. Ben Hare!!! Mr. Hare will be teaching Welding I. He is coming to us from Ingall's Shipbuilding with extensive industry knowledge. What a great asset to our future welders!!!

Thirty-four of our 2021 CTE graduates will be resting a little easier this fall. Taking advantage of the New Century Skills Scholarship at MGCCC, these students racked up **\$186,000** in **FREE** tuition money by completing a two year pathway program at SHS. Twenty-eight earned full tuition while 8 earned half tuition.
